

# My Rights

Children have their own rights. Draw a picture to go with each of these, listed below.

All children, no matter where they are in the world, have the same rights.

The right to be protected.

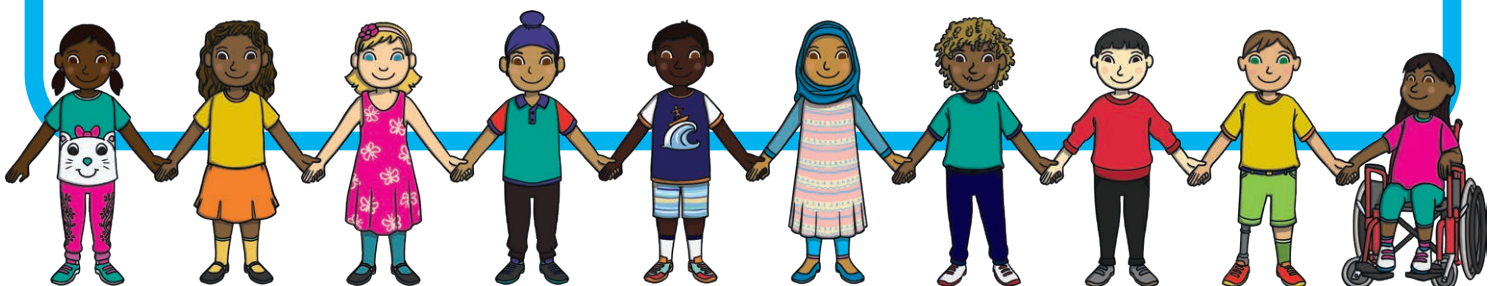

The right to have an education.

The right to have access to doctors and medicine.

All children, no matter where they are the world, have the same rights.

The right to have the things they need to be safe and comfortable at home.

The right to be heard and taken seriously.
