

Worksheet 3:

Creating an Interactive Presentation on EU Environmental Policies and their impact on Well-Being

Name: _____

Topic: _____

Your Presentation: Key Questions to Answer

Use these questions to guide your research and build your slides:

1. What is the main goal of your assigned EU environmental policy?
2. How does this policy tackle environmental problems?
3. What actions or measures have been introduced to support it?
4. What challenges does the EU face in applying this policy?
5. How does the policy affect daily life, industries, and communities?
6. Are there future plans for improvement or expansion?

Presentation Checklist (Genially):

Before you finish, check that your presentation includes:

- ✓ Clear structure: **Introduction – Key Points – Conclusion**
- ✓ Engaging visuals and design
- ✓ Inclusion of a short video related to the topic
- ✓ Use of simple and concise language
- ✓ References (bibliography)
- ✓ Presentation stays within the 10-minute limit

WORKSHEET 3

Erasmus+ Understanding EU Environmental Policies & Well-Being
Εκπαιδευτικός Δεμερτζή Τριανταφυλλιά, ΠΕ06_ 2ο ΓΕΛ Νεάπολης

genially

Aims of this activity:

By completing this project, you will:

- Understand key EU environmental policies.
- Analyze how the EU fights climate change, pollution, and protects biodiversity.
- Practice evaluating information from different sources.
- Improve your presentation and digital design skills using Genial.ly.

Activity steps

Step 1: Topic Assignment using [Wheel of Names](#)

We will use the digital tool Wheel of Names to assign topics randomly.

- All **topics** related to EU environmental policies will be placed in the wheel.
- Each student spins when their turn comes!

Step 2: Research and presentation creation

Design your presentation using Genial.ly.

Use online resources to explore your topic.

Suggested starting point: 🖱️ [EU Environment Portal](#)

Your presentation should include:

- ✓ Key facts about the EU policy
- ✓ Its impact on EU countries
- ✓ Challenges and solutions
- ✓ Relevant images and a short video
- ✓ References
- ✓ Presentation stays within the 10-minute limit

WORKSHEET 3

Step 3: Upload to [Wakelet Collection](#)

Once you finish:

- Upload your final presentation to our class [Wakelet Collection](#) .

Step 4: Individual Presentations and Peer Evaluation

During the presentations:

- Each group will present their findings using Genial.ly.
- Students will complete a Peer Evaluation Form for each group.

The Peer Evaluation Form includes:

- 1-5: Questions or statements to rate (content, clarity, visuals, engagement, time management)
- 6: One comment or suggestion for improvement

Remember: Creativity, clarity, and critical thinking are the keys to a great presentation!
