

INTERVIEW

Useful Tips to Prepare You for the Big Day

Watch the video to prepare for your interview.

We are seeking a highly skilled software developer to join our team. The candidate must be proficient in programming languages such as Python and JavaScript, have problem-solving skills, and be able to collaborate with designers and project managers. Attention to detail and the ability to adapt to new technologies are crucial.

You are the interviewer.
Prepare a questionnaire for your candidate.

D. Kim - A computer science graduate with expertise in Python and JavaScript. S/He enjoys problem-solving, learning new technologies, and working in collaborative environments.

You are the interviewee.
