

Quick Rubric

ASSIGNMENT: Great World Leaders of the Past or the Present

This rubric will be used to evaluate your group project on Great World Leaders of the Past or the Present. It assesses the quality of your research, organization, language use, creativity with multimedia, teamwork, and use of sources. Each criterion is scored from 1 (Needs Improvement) to 4 (Excellent).

Instructions for Students

Work together in your group to research and present a Great Leader not included in the textbook.

Make sure your project includes:

Clear and accurate information about the leader's life, work, and impact.

Well-organized and logical presentation of ideas.

Appropriate English vocabulary and grammar.

Use of multimedia (images, videos, audio, etc.) to support your work.

Evidence of teamwork and equal participation from all members.

A list of reliable references (websites, books, videos) in your final submission.

Review the rubric carefully before submitting your work. It shows exactly how your project will be graded.

	Excellent (4) <i>17 Points</i>	Good (3) <i>14 Points</i>	Fair (2) <i>11 Points</i>	Needs Improvement (1) <i>8 Points</i>
Content & Research	Provides rich, accurate, and detailed information about the chosen leader. Shows deep understanding and original insight.	Provides clear and mostly accurate information, with some detail and examples.	Provides basic information but lacks depth or has minor inaccuracies.	Information is limited, incomplete, or inaccurate.
Organization & Clarity	Ideas are very well-organized, logically structured, and easy to follow.	Mostly well-organized; minor issues with clarity or flow.	Some organization, but ideas are not always clear or logical.	Lacks organization; ideas are hard to follow.
Language & Vocabulary	Uses a wide range of vocabulary accurately; very few or no mistakes. Language is appropriate and fluent.	Good range of vocabulary with occasional mistakes; overall clear and appropriate.	Limited vocabulary; several mistakes affect clarity.	Very limited vocabulary; frequent mistakes make it hard to understand.
Multimedia & Creativity	Effectively integrates images, videos, audio, or other media. Multimedia strongly supports and enriches the project.	videos, audio, or other media. Multimedia strongly supports and enriches the project. Includes relevant multimedia that supports the project.	Some multimedia used, but not always relevant or well integrated.	Little or no use of multimedia; does not support the project.
Collaboration & Participation	Actively contributes, communicates, and cooperates with group members. Strong teamwork evident.	Generally contributes and cooperates with group members.	Some contribution, but uneven participation in the group.	Minimal or no contribution; does not cooperate with the group.
References & Sources	Provides a complete and accurate list of sources. All sources are reliable and properly cited.	Provides most sources with minor citation errors.	Provides few sources or some unreliable sources.	No references or unreliable/missing sources.
