

Worksheet - F

THINK before

Check -> think -> discuss the questions

① Read following:

Greek: «Πόλεις σε όλη τη Σουηδία έχουν απαγορεύσει τα χριστουγεννιάτικα φώτα στους δρόμους στο όνομα της «ασφάλειας», αλλά ο πραγματικός λόγος είναι σχεδόν σίγουρα ότι η χώρα έχει συνθηκολογήσει πλήρως με το Ισλάμ μετά την εισαγωγή αμέτρητων μουσουλμάνων μεταναστών τα τελευταία δύο χρόνια.»

English: «Towns across Sweden have banned Christmas street lights in the name of “security,” but the real reason is almost certainly because the country has completely capitulated to Islam after importing countless Muslim migrants over the last two years.»

Romanian: „Orașe din Suedia au interzis iluminatul stradal de Crăciun în numele «securității», dar adevăratul motiv este aproape sigur că țara a capitulat complet în fața islamului după ce a importat nenumărați migrați musulmani în ultimii doi ani.”

[<https://www.infowars.com/sweden-bans-christmas-street-lights-to-avoid-offending-muslim-migrants/>]

Kungsgatan Street in Sweden, all decked out for Christmas. Such decorations are a huge tradition in the country.

SO WHAT CHANGED? THE WEIGHT OF THESE HOLIDAY LIGHTS? THE DURABILITY OF STREET POLES? OR MAYBE IT WAS THE MASSIVE INFLUX OF MUSLIM MIGRANTS THAT DRAMATICALLY ALTERED THE DEMOGRAPHIC LANDSCAPE OF SWEDEN OVER THE PAST TWO YEARS...

Vote in your group: Is this true or false?

How many do you say TRUE?

List out all the arguments for why you believe it is TRUE:

How many do you say FALSE?

List out all the arguments for why you believe it is FALSE:
