

"Where Is The Love?" By Black Eyed Peas

1. Complete the gaps with one word.

What's wrong with the _____, mama
 People _____ like they ain't got no mamas
 I think the whole world addicted to the drama
 Only _____ to things that'll bring you trauma

Overseas, yeah, we try to stop _____
 But we still got _____ here livin'
 In the USA, the big CIA
 The Bloods and The Crips and the KKK

But if you only have love for your own _____
 Then you only leave space to _____
 And to discriminate only _____ hate
 And when you hate then you're bound to get _____, yeah

Madness is what you demonstrate
 And that's exactly how anger works and operates
 Man, you gotta have love just to set it straight
 Take control of your mind and meditate
 Let your soul gravitate to the love, y'all, y'all

2. Number the verses as you hear

Chorus

_____ Can you practice what you preach?
 _____ Father, Father, Father help us
 _____ Where is the love? (Love)
 _____ Or would you turn the other cheek?
 _____ Children hurt and you hear them cryin'
 _____ 'Cause people got me, got me questionin'
 _____ Send some guidance from above

3. Use the words in the box to complete this part:

It just ain't the _____, old ways have changed
 New days are strange, is the world _____?
 If love and _____ are so strong
 Why are there pieces of love that don't _____?

peace	same
belong	insane

4. Use gerunds to complete the sentences:

Nations _____ (drop) bombs
 Chemical gasses _____ (fill) lungs of little ones
 With ongoin' _____ (suffer) as the youth die young
 So ask yourself is the _____ (love) really gone

So I could ask myself really what is _____ (go) wrong
 In this world that we _____ (live) in people keep on _____ (give) in
 _____ (make) wrong decisions, only visions of them dividends
 Not _____ (respect) each other, deny thy brother
 A war is _____ (go) on but the reason's undercover

The truth is kept secret, it's swept under the rug
If you never know truth then you never know love
Where's the love, y'all, come on (I don't know)
Where's the truth, y'all, come on (I don't know)
Where's the love, y'all

Sing <Chorus>

5. Choose the word you hear

I feel the weight of the world on my **back/shoulder**
As I'm gettin' **older/younger**, y'all, people gets colder
Most of us only care about money **makin'/doin'**
Selfishness got us followin' the **wrong/right** direction
Wrong information always shown by the media
Positive/Negative images is the main criteria
Infecting the young **minds/brain** faster than bacteria
Kids wanna act like what they see in the cinema

Yo', whatever happened to the values of humanity
Whatever happened to the fairness and equality
Instead of spreading love we're spreading animosity*
Lack of understanding, leading us away from unity

*antipathy

That's the reason why sometimes I'm feelin' under
That's the reason why sometimes I'm feelin' down
There's no wonder why sometimes I'm feelin' under
Gotta keep my faith alive 'til love is found
Now ask yourself

Sing <Chorus>

Homework: Make a drawing to represent the song you've just heard.
