Tunisia is a little fabulous country on the coast of the Mediterranean Sea, which attracts numerous tourists with its soft sands, jasmine's odor and the freshest sea-breeze. Tunisia is the land, in which the brightest Eastern sun shines, and the warmest sea caresses the eye. This wonderful African land possesses a rich history and a captivating beauty of the wild nature.

You are a long way out if you think, that Tunisia is nothing more than wonderful beaches with soft sand and sky-blue sea slick. Tunisia is an interesting place for curious explorers and lovers of ancient history. Here you can find a mixture of different and the most unusual cultures; and the local colorful landscapes captivate even experienced tourists, who have already traveled far and wide.

The most popular and crowded resorts are Hammamet, Sousse, and Djerba. There are numerous wonderful hotels here, which provide comfortable accommodations and good service.
