FINAL PRODUCT OF GROUP WORK _ ST1/GOUP1

Work as a group and make a comic on **internet safety**. You can make a comic using makebeliefscomix.com 🔗. Maximum 18 panels.

N.B. /Be careful

In every panel write a short dialogue. Don't write too much because we can't read it easily and it's more difficult to spot a mistake.

You can decide on what to write, the dialogues to include, the characters for the comic. You could make a draft on a piece of paper before you make an online one.

REMEMBER

In your story you have to answer the 6 questions:

Who is in the story

What is happening/happens

Where are the people

When is this happening

Why is this happening

How do things happen
