

## "Thankful"

Everybody gets a heart  
Everybody gets a soul  
Everybody gets a mind  
To let them know  
That we can be smart  
And we can be kind  
And we can be living by giving and loving  
All the time  
So on the days when it's feeling tough  
And it seems like you don't have enough,  
well...  
Let's be thankful for our friends and family  
And grateful for the air that we breathe  
And appreciate everything that we have  
today (Hey)  
Let's be generous to anyone who less  
than us  
It's good to be compassionate  
'Cause ever since the day you were born,  
yea  
You've got a lot to be thankful for  
Yea, we've got a lot to be thankful for  
Everybody gets the land  
And everybody gets a seed  
So everybody lend a hand  
To those in need  
'Cause we can be nice  
And we can all share  
We can keep be growing together, I  
t's better when everyone cares  
So on the days when it's feeling tough  
And it seems like you don't have enough,  
well...  
Let's be thankful for our friends and family  
And grateful for the air that we breathe

And appreciate everything that we have  
today (Hey)

Let's be generous to anyone who less  
than us

It's good to be compassionate

'Cause ever since the day you were born,  
yea

You've got a lot to be thankful for

Yea, we've got a lot to be thankful for

So, what are you thankful for?

"I'm thankful for my family" "I'm thankful  
for my neighbors"

"I'm thankful for my dog"

"I'm thankful for the food I have to eat"

"I'm thankful for my heart"

"I'm thankful for my grandma and grandpa"

"I'm thankful for my teacher"

"I'm thankful for my house"

"We're thankful for the earth"

So on the days when it's feeling tough And  
it seems like you don't have enough,  
well...

Let's be thankful for our friends and family

And grateful for the air that we breathe

And appreciate everything that we have  
today (Hey)

Let's be generous to anyone who less  
than us

It's good to be compassionate

'Cause ever since the day you were born,  
yea

You've got a lot to be thankful for

Yea, we've got a lot to be thankful for
